# LITTLE GENIE

## One Year Foundation Program

### LITTLE GENIE - RAISING YOU TO YOUR GOALS

- Program Focus & Objective
- COURSE STRUCTURE
- DURATION
- START EARLY BEAT THE COMPETITION
- NOTES

**This Program aims at raising the IQ / Mental Ability of the students to two years ahead of time and will develop logical thinking required for success in various future competitive exams especially National level scholastic Exam - National Talent Search Exam (NTSE)**

#### **PROGRAM FOCUS & OBJECTIVE**

Success is never defined in absolute sense. It is very much a subject of relative performance. Children need to imbibe the spirit of competitiveness from an early age and start preparation for major milestone achievements, well in advance so as to avoid stress and anxiety at a later stage..

**The Program Trains a Student for Overall Logical Thinking and Scientific Aptitude at an early age thereby Transforming the Academic Life of Students. This is the time while a Student Encounters Change in Academic Methodology from a text based Academics in Class V to a Matured Academic Life in Class VI and Beyond...**

**This program will also guide the students to approach Science & Mathematics in an objective manner to solve complex numerical problems. Biology will also be an integral part of this Program. Parents will be able to notice substantial difference in the analytical skills and IQ of their little ones with this program.**

#### **COURSE STRUCTURE :**

- Entire course will be covered in **4 phases**.
- **Subjects covered will be Science (Physics, Chemistry & Biology), Mathematics and Mental Ability.**
- Single comprehensive study material. Additional problems will be supplemented wherever necessary students should not require any additional books etc.
- Work Books for Home Assignment.

- **Common Phase Tests across the country.**
- **Chapter Practice Problems (CPP):** On each chapter Students will be given Chapter Practice Problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the Students with remarks and suggestions. Thus helping every Student to have a very strong command over fundamental concept knowledge very crucial for getting Top ranks.
- **Class Learning Improvement Program (CLIP):** Icing on the cake of every class will be done through Class Learning Improvement Program for those who have completed all assignments to further help them get a higher Rank in Competitive Exams.
- **Success Potential Index (SPI):** We are the only institute in India having the capability to predict Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Success Potential Index (SPI).
- Students also gain important exam practice through quizzes, phase tests, & mock tests (conducted in a simulated environment giving the students a 'feel' of the real exam) that can help them improve their examination temperament a necessary element for success in any competitive exam
- Regular feedback & Test Analysis Sessions.
- Dedicated academic operations team provides feedback at any point of time apart from scheduled parent teacher meetings.
- **Relevant Competitive Examination:** National Talent Search Exam (NTSE), also this program will lay strong foundation for International Level Olympiads in Mathematics and Junior Sciences (National and Regional Level stages as National Standard Examination in Junior Science (NSEJS) and Regional Mathematics Olympiad (RMO)).

**DURATION:** About 175 hrs. Including classroom interaction and tests.

### **Class Schedule & Frequency**

#### **Sunday Option**

**Classes will be held only on Sunday from 8:00 am to 11:15 am/1:00pm. However during vacation classes can be held on regular weekdays also.**

### **START EARLY – BEAT THE COMPETITION :**

#### **Benefits of Early Joining**

- Gives you more time to adapt to the quantum jump in level of difficulty with better ease as there is more time for understanding and consolidation over a longer spread academic plan.
- Optimum utilization of time available.
- Early starters will always have more time before the actual School & Competitive / Scholastic Entrance Exams as their course curriculum will finish much before the batches starting later.
- More time to consolidate on one's performance and for self-revision, polishing of examination temperament & removal of last moment doubts. This is very vital to help a student achieve a quantum jump in the performance in Competitive / Scholastic Examination.
- As serious aspirants never would like to wait, the competence of the batch starting early would be very high as the brightest / serious of the lot will join at this stage thus giving you that better competition you always wanted.

Earlier tests & joining FIITJEE give you **more time for academics**
