A WORD OF ADVICE [CLICK HERE...](#)

The Program That has Produced Maximum TOPPERS

Synchronized study of JEE(Main & Advanced), XII Boards, Other Engineering Entrance Exams along with various international level Olympiad and national level scholastic Exam like Kishore Vaigyanik Protsahan Yojana (KVPY)

For the first time in history of IIT-JEE, the Joint Entrance Examination (Advanced) 2018 was conducted through online mode i.e. in computer based test mode. All future JEE Advanced exams will be conducted in Computer based Test (CBT) mode.

A decision has also been taken at the level of the IIT Council to, inter alia, improve the gender balance in the undergraduate programs at the IITs from the current (approximately) 8% to 14% in 2018-19 by creating supernumerary seats specifically for female candidates, without any reduction in the number of seats that was made available to non-female candidates in the previous academic year (i.e. academic year 2017-2018).

In another major announcement, Human Resource Development (HRD) Ministry announced that from 2019 the Joint Entrance Exam (JEE Main) will be conducted twice in a year (January and April) through Online (Computer Based Test) mode only. Newly Constituted National Testing Agency (NTA) would start conducting JEE Main from 2019 which was earlier conducted by CBSE.

FIITJEE prepares you for JEE Advanced & JEE Main in a Pattern Proof Mode. This means that you are prepared to give your best and optimum performance even if the pattern of the exam is changed at the last minute. We are the only institute whose Students do well not only in JEE Advanced but also in JEE Main, XII Boards & Other Engineering Entrance Exams.

All FIITJEE Students who qualified for JEE Advanced also scored well in their XII Board Exams thus figuring in the Top 20 percentile of their respective Boards.

PROGRAM FOCUS & OBJECTIVES :

Excellence in JEE : Emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process which makes them capable of creatively resolving complex and tricky problems by mere application of basic concepts for a quantum jump in their performance in JEE (Main & Advanced). Each student has the right strategy for himself /herself for **TIME MANAGEMENT** to ensure optimum output. **This enables the students to excel not only in JEE (Main & Advanced), Other Engineering Entrance Exams but also in XII Board Exams.**

Course Structure :

- Entire course is divided into 5 phases (Class XI – 3 Phases & Class XII – 2 Phases) followed by special classes of Rank Improvement Program.
- **Extensive coverage of additional topics for JEE (Main).**
- Each phase has exhaustive quizzes and Phase Tests (both on JEE Main & JEE Advanced pattern).
- Phase Tests are followed by Test Analysis Sessions.
- Right mix of classes, problem solving and Doubt Clearing Classes.
- Comprehensive & thoroughly revised study material.
- Periodic tests on the latest JEE pattern.
- Regular feedbacks.
- Home assignments / Workbook.
- **Common Phase Tests across the country.**
- **All India Internal Test Series (AliTS):** These test make students acquainted with a diverse set of examination patterns and alongside confer them with their National level performance ranking in the respective patterns. Tests are based on the common minimum syllabus of all classroom / School Integrated Programs.
- **Chapter Practice Problems (CPP):** On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty members and then would be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental conceptual knowledge, which is very crucial for getting Top ranks.
- **Class Learning Improvement Program (CLIP):** Icing on the cake of every class will be done through Class Learning Improvement Program for those who have completed all assignments to further help them get a higher Rank / performance in JEE(Main & Advanced) & Other Engineering Entrance Exams.
- **Success Potential Index (SPI):** We are the only institute in India having the capability to predict Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Success Potential Index (SPI).
- Rank Improvement Program (RIP) of about 80 to 100 hrs.
- Additional help for XII Board Exams. Practice Mock Test Papers for XII Board Exam.
- **JEE Archive:** Question Bank with Answers of previous year JEE (Main & Advanced) papers.
- **All India Computer Based Test Series (AITS - CBT):** to be conducted at the National Level on the present & expected pattern of JEE (Main & Advanced).

- **Grand Masters Package (GMP):** An exclusive fundamentals search based package of 1500 Top quality problems on JEE pattern testing your understanding of the subject. It covers all aspects of JEE problem solving Techniques
- **Online Test Series JEE Main + JEE Advanced + BITSAT + KVPY through www.mypat.in** : myPAT, is an Online Platform for Learning through Assessment, Analysis, Identification of Knowledge Gaps and Remedy Options. myPAT empowers you with your own Subject Concept Coverage Meter, Performance Meter and Success Meter. It also enables higher learning outcome, building exam temperament & readiness and ensures success in competitive exams. Dedicated academic operations team provides feedback at any point of time apart from scheduled parent teachers meetings.

With myPAT - You Can

- Take Subject Concept Tests, Full & Part Online Test Series.
 - Experience simulated test environment for your preparation.
 - Achieve your goal and claim the glory.
 - Gain insights through in-depth analytics & detailed score report.
 - Benchmark yourself amongst successful aspirants.
 - Identify improvement areas and remedial suggestions
- Dedicated academic operations team provides feedback at any point of time apart from scheduled parent
 - **Open Test for JEE (Main & Advanced) for Class XI & XII** to be conducted in more than 65 cities. Student will receive their score, percentile, All India Rank, analysis of result and suggestions for improvement

Duration :

Classroom contact hours of approx. 681 hrs. i.e. 401 hrs. In XI & 280 hours in XII. However, the actual total input provided to the student is more than **800 hours** which includes

- Doubt clearing classes.
- Rank Improvement Program.
- Phase Tests and Tests of All India Test Series.
- Test Analysis Sessions **etc.**

At FIITJEE based on your needs we have planned your academics and it will unfold as you go along.

II

Excellence in Boards, JEE Main, JEE Advanced & Other Competitive Entrance Exams

At FIITJEE you will find a very powerful system that can help you unfold your full potential systematically. We train our students in such a way that they are ready to scale JEE successfully irrespective of the pattern. What is required is total dedication and hard work.

This program is integrated and implies that we judge you only once and then take the responsibility of navigating your career for the entire curriculum.

The above program has following options to choose from:

- Regular Week Contact Program
- Special Weekend Contact Program
- Weekend Contact Program
- Sunday Contact Program

REGULAR WEEK CONTACT PROGRAM:

Classes shall generally be held three days a week, for four hours each time (except during vacations, during which the frequency of classes may increase). The classes are usually conducted after school hours i.e. from 3:30 p.m. to 7:45 p.m.

XI Course shall be completed by January, 2021. Depending upon the academic performance / excellence of the

students in the previous phases the class XII course will start as soon as after the completion of class XI course. This enables all students to cope up well with the last months' pressure of school besides giving adequate time for revision and consolidation of the knowledge and skills acquired at FIITJEE and required for being successful in JEE.

Weekend Contact Program

Classes shall be held only on Saturdays and Sundays (except during vacations, during which the frequency of classes may increase), **all three subjects shall be taught for two hours each on each day of class (of course with appropriate breaks). Students will be having classes on Saturday mornings too.**

Classes shall be held on Saturday & Sundays as per the following schedule*:

ON SATURDAY		ON SUNDAY	
1st Class	09:30 a.m. to 11:30 a.m.	1st Class	11:30 a.m. to 1:30 a.m.
2nd Class	11:45 a.m. to 1:45 p.m.	2nd Class	02:00 a.m. to 04:00p.m.
3rd Class	02:15 p.m. to 04:15 p.m.	3rd Class	04:15 p.m. to 06:15 p.m.

* Subject to change if required.

Subject to change if required.

The Academic plan and the number of hours of this option will be less as compared to any other options. Kindly contact your respective FIITJEE Centre for more details.

Note: Not all program options are available at all FIITJEE centres. The schedule of classes may vary from one study centre to another. Kindly contact your nearest FIITJEE centre for more details.

Since inception, FIITJEE has laid emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process.

Do not expect miracles or wonders from FIITJEE. Miracle is inside you. We are here to give you the best possible support. Inputs that you will receive from FIITJEE will be better than that received by all our earlier Two Year Classroom Program students as every year we try to put in better efforts.

START EARLY – BEAT THE COMPETITION :

Serious students aspiring for success with a good rank in the IITs understand the importance of starting early in their preparation for IIT-JEE. As the JEE becomes more competitive now, it is necessary to build a strong fundamentals base, as early as possible. FIITJEE's early edge programs are designed to give serious students that extra advantage that can help them get a top rank in JEE(Main & Advanced).

- Gives you more time to adapt to the quantum jump in level of difficulty with better ease as there is more time for understanding and consolidation over a longer spread academic plan.
- Optimum utilization of time available.
- Early starters will always have more time before the actual Board & Engineering Entrance / Other Competitive / Scholastic Exams as their course curriculum will finish much before the batches starting later.
- More time to consolidate on one's performance and for self revision, polishing of examination temperament & removal of last moment doubts. This is very vital to help a student achieve a quantum jump in the His / Her Rank.
- As serious aspirants never would like to wait, the competence of the batch starting early would be very high as the brightest/serious of the lot will join at this stage thus giving you that better competition you always wanted.
- Earlier tests & joining FIITJEE give you more time for academics, and lower fees.
